KEIM INNOSTAR® – ULTRA PERFECT APPLICATION PROPERTIES

ULTRA FAST
Thanks to the ideal consistency KEIM Innostar can be applied fast and efficiently.

ULTRA STRONG
KEIM Innostar is incredibly hard-wearing.
(Wet abrasion class 1)

ULTRA CLEAN
Surfaces coated with KEIM Innostar are very easy to clean. Abrasion marks, for example, can be simply removed with a damp cleaning cloth without causing shiny spots and the surface still remains pleasantly matt!

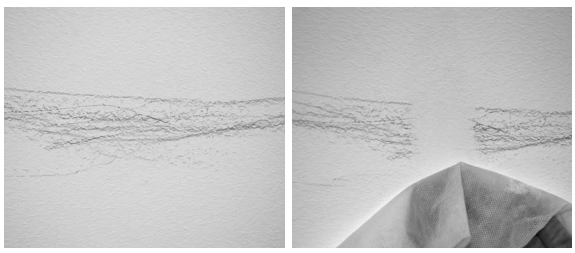
ULTRA WHITE
With a maximised titanium dioxide content KEIM Innostar guarantees an excellent, elegant degree of whiteness and an exciting matt surface appearance.

ULTRA RESISTANT
KEIM Innostar also withstands the influence of disinfectants. The TÜV Süd has confirmed the resistance against disinfectants.

ULTRA SAFE
KEIM Innostar is safe for application under difficult light conditions. Moreover, minimised spraying and a long open-time guarantee a perfect result.
KEIM Innostar is best for all common substrates such as render, gypsum plasterboard and over sound existing coatings combined with maximum safety thanks to its multi-purpose characteristics. A true all-rounder for painters' multi-purpose daily challenges!

ULTRA ECONOMICAL
KEIM Innostar saves time and money! Its outstanding covering power in combination with high yield assure terrific results with mostly only one single paint coat. KEIM Innostar is the champion in its class providing a mineral coating to interior walls with a consumption rate of just one litre for eight square metres.

IN A NUTSHELL:
Maximum hiding power, enormous efficiency and best application properties save time and material – which means: Maximum success for the painter!



Easy to clean with damp cleaning wipes.

KEIM INNOSTAR® – EXCELLENT WHITE FOR HEALTHY ROOMS

KEIM INNOSTAR – A POWERFUL AND HEALTHY ALL-ROUNDER
KEIM Innostar has no preservatives or plasticisers added and is consequently the optimal paint for a healthy living situation.

KEIM Innostar is a premium sol-silicate paint for interior use and complies also with the requirements of DIN 18363, par. 2.4.1 for silicate emulsion paints.

Thanks to fantastic physical properties such as highest vapour permeability and ideal moisture control, KEIM Innostar provides a balanced and healthy interior climate.

KEIM Innostar is the first choice where brilliant whiteness meets healthy materials and efficient application!

CRADLE TO CRADLE CERTIFIED ®
KEIM takes responsibility for society and for the environment. The certificate Cradle to Cradle Certified® confirms our commitment and the use of environmentally friendly, healthy and recyclable materials, a climate-friendly and responsible production process and the use of renewable energy.
